

# Hey, We're Having Our Winter Uniform Day!

That's right—it's once again time to use the best recruiters we have to bring more youth to Scouting and to tell everyone the BSA is alive and well here in the Great Trail Council —that means our youth members need to “suit up” to mark the Anniversary of the BSA!

**On Thursday, February 8, 2018,**

we want to have every Cub Scout, Boy Scout and Venturer  
in the Great Trail Council

**wear their uniform to school.**

For **Cub Scouts**, that means wear their uniform shirt with neckerchief. For **Boy Scouts and Venturers**, that means wear their Field Uniform **or** their Activity Uniform (a troop or crew T-shirt or Scouting polo shirt).

Let's make sure our Cub Scouts, Boy Scouts and Venturers wear their uniforms completely and correctly so they show only the best of Scouting that day.

Sharp-looking uniforms make the difference.

Cub Scouts and Boy Scouts who participate in **Winter Uniform Day** will receive a **NEW Winter 2018 Great Trail Council Uniform Day patch.**

Leaders, now's the time to talk about this event with your den, pack, troop or crew. Let's use our walking, talking “billboards for Scouting” during this special time. Questions?

Call your District Executive or the Scout Service Center at 330-773-0415 or visit us at

[www.gtcbasa.org](http://www.gtcbasa.org).

**Leaders: To receive patches for those youth from your unit who participate in Uniform Day, no paperwork is necessary (“On My Honor”) - just call (330-773-4078) or email ([shardest@bsamail.org](mailto:shardest@bsamail.org)) the Scout Shop at the Council Service Center and tell our staff the number of patches you need.**

**They'll be happy to provide them to you.**

**DEADLINE TO REQUEST WINTER UNIFORM DAY PATCHES IS MARCH 16, 2018.**
