

BOY SCOUTS OF AMERICA®
GREAT TRAIL COUNCIL

SATURDAY, MAY 5TH, 2018

The Great Trail Council needs you to help fight hunger in our area. Help feed local families by participating in our collection goal of 100,000 items (cans or non-perishable packages). The food will be distributed to local food pantries of your unit's choice throughout the council. We challenge your district to collect 15,000 items of food!

“TO HELP OTHER PEOPLE AT ALL TIMES...” - SCOUT OATH

- Choose how your unit is going to participate: Door-to-Door collection, coordinate a local drive with a school, business or place of worship, or do a Friends & Family campaign within your unit.
- Appoint a Scouting for Food Chair in your unit to contact a food bank or pantry location, coordinate pick-up and distribution times, report the unit collection tally, designate a meeting location.
- Fill out the commitment form online at www.gtcbasa.org or turn in the sign-up form below.
- Determine how many Scouts will participate and how many adults will be available to drive when picking up food.
- Determine the number of bags and boxes needed. Ask your unit's families to save these items for the drive.
- If doing a door-to-door collection, print or request door hangers (available on www.gtcbasa.org).
- Talk to other units to get them to participate (consider a friendly competition).
- Collect as many items as possible and total the amount.
- Turn in food to your preferred food bank, pantry or church on May 5th, 2018.
- Report the final count using the **online report form at www.gtcbasa.org**.
- Celebrate your success and thank all your Scouts and parents for participating!
